## The Value we Add ...

- PetroMan® benefits logistics clients through:
  - Reducing 'misuse' losses, leakage and spillage
  - Less vehicle misuse and improved maintenance
  - Automation of data
  - Extending engine life and Increasing productivity
  - Better cost code control and SARS rebate compatibility
- PetroMan® benefits oil companies through:
  - Delivery verification
  - Control from bulk tanks to pump level (consignment stock)
  - Reduction in 'misuse' losses
  - Comprehensive service to end-user client
