The Value we Add ...

- PetroMan® benefits mining clients through:
 - Reducing 'misuse' losses, leakage and spillage
 - Less vehicle misuse and improved maintenance
 - Automation of data
 - Extending engine life and Increasing productivity
 - Better cost code control and SARS rebate compatibility
- PetroMan® benefits oil companies through:
 - Delivery verification
 - Control from bulk tanks to pump level (consignment stock)
 - Reduction in 'misuse' losses
 - Comprehensive service to end-user client
